The parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws 1974 (N.J.S.A. 34:13A-1 et seq., as amended) in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall

begin not later than November of the calendar year preceding the calendar year in which this Agreement expires. Any agreement so negotiated shall apply to all employees, be reduced to writing, be signed, and be submitted to the Board and the Association for ratification.

- B. During negotiations, the Board and the Association shall present all relevant data, exchange points of view and make proposals and counter-proposals.
- C. Neither party in any negotiations shall have control over the selection of the negotiation representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counter-proposals in the course of negotiations.
- D.
  - 1. Representatives of the Board and the Association's Negotiating Committee shall meet when necessary as determined by either party for the purpose of reviewing the administration of the Agreement, and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure.
  - 2. Each party shall submit to the other, at least three (3) days prior to the meeting, an agenda covering matters they wish to discuss.

### ARTICLE III

#### GRIEVANCE PROCEDURE

A. Definitions:

1. A "grievance" is a claim based on any of the provisions of this Agreement and/or past common practice resulting from an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application thereof.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. The term "school days" shall include days school is in session during the regular school term, September through June, and all non-national holiday weekdays, Monday through Friday, during June, July and August.
5. An aggrieved person shall have thirty (30) school days from the date of the occurrence or the first knowledge of said occurrence to initiate a grievance. Failure to initiate a grievance within said period of time is deemed a waiver of all steps on the grievance procedure.

B. Purpose:

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that those proceedings will be kept as informal as is mutually agreeable and confidential at every level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee or group of employees having a

grievance to discuss the matters informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure:

1. Since it is important the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Level One - Immediate Supervisor

An employee or group of employees with a grievance shall first discuss it with his or their immediate supervisor or appropriate member of the administration, either directly or through the Association's Grievance Committee, with the objective of resolving the matter informally.

3. Level Two - Superintendent

If the aggrieved person or group of persons is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, for further consideration, he must file the grievance in writing with the Chairperson of the Association's Grievance Committee within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. If the Grievance Committee determines that the grievance is meritorious, for further consideration, it must submit the grievance to the Superintendent of School District within five (5) school days after receiving the written grievance.

4. Level Three - Conflict Resolution Board

If the aggrieved person or group of persons is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) school days after the presentation of the grievance, the grievance is passed on to:

- a) the Board of Education if the grievance involves evaluations or discipline arising out of evaluations; or
- b) the Conflict Resolution Board if the grievance concerns matters other than those mentioned in a).

A Conflict Resolution Board, consisting of two Board of Education members (not then serving on the Personnel Committee) to be selected by the Board and two teachers (not in any way involved in the grievance at hand) to be selected by the Association and two at large members (one selected by the President of the Association and one by the President of the Board, with neither being a member of the selecting group) shall review the grievance, with full power to hear all witnesses, assess all relevant information, and see all pertinent documents.

The Conflict Resolution Board shall, having finished its deliberations, send its findings to the President of the Board of Education and the President of the Education Association. These findings shall include an assessment of the validity of the grievance at hand, recommendations for its resolution if it is found to be a valid grievance, and recommendations for avoiding similar difficulties in the future.

If the Conflict Resolution Board cannot resolve the difficulty in fourteen (14) calendar days, it shall submit a written report to the Board of Education and the Association. The grievance shall then be referred to the Board of Education.

5. Level Four - Board of Education

If the aggrieved person or group of persons is not satisfied with the disposition of the grievance at Level Three, he must within five (5) school days after a written decision rendered by the Conflict Resolution Board, or fourteen (14) calendar days after the grievance was delivered to the Conflict Resolution Board, whichever is sooner, request in writing that the Chairperson of the Grievance Committee submit his grievance to the Board. If the Grievance Committee determines that the grievance is meritorious for further consideration, it must submit the grievance for the Board within fifteen (15) school days after receipt of a request by the aggrieved person or group of persons.

6. Level Five - Arbitration

- a. If the aggrieved person or group of persons is not satisfied with the disposition of his grievance at Level Four, or if no written decision has been rendered within ten (10) school days after the grievance was delivered to the Board, for further consideration, he must within five (5) school days after a decision reduced to writing by the Board or within fifteen (15) school days after the grievance was delivered to the Board, whichever is sooner, request in writing that the Chairperson of the Grievance Committee submit his grievance to arbitration. If the Grievance Committee

determines that the grievance is meritorious for further consideration, it must submit the grievance for arbitration within fifteen (15) school days after receipt of the request by the aggrieved person by requesting a list of arbitrators from the Public Employment Relations Commission. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

- b. The arbitrator so selected shall confer with the representatives of the Board and the Grievance Committee and hold hearings promptly and shall issue his decision as soon as possible, but not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decisions shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make a decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties except in cases dealing with the non-renewal of a non-tenured teacher in which the arbitrator's decision shall be advisory only.
- c. The costs for the services of the arbitrator, including per diem expense, if any, and actual and necessary travel, subsistence expenses and cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

D. Rights of Employees to Representation:

- 1. Any party in interest may be represented at all stages of the grievance procedure by himself or at his option by a representative from the Grievance Committee of the Association. Professional counsel may be used for representation when it is so indicated on the written grievance or mutually agreed to by both parties.
- 2. No reprisals of any kind shall be taken by either party, Board and/or representatives or Association and/or representatives, against any party in interest or other participant in the grievance procedure by reason of such participation.

E. Miscellaneous:

1. Following Level One, the Grievance Committee may process a grievance through all levels of the grievance procedure even though the aggrieved person or group of persons does not wish to do so.
2. Decisions rendered at Level Two, Three, Four and Five of the grievance procedure shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the Chairman of the Grievance Committee and the Board's Personnel Committee. Decisions rendered at Level Five shall be in accordance with the procedures set forth in Section C, paragraph 6. c. of this Article.
3. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file, available to the Superintendent, the Chairman of the Association's Grievance Committee, or a party in interest appointed by either of the above, and shall not be kept in the personnel file of any of the participants.
4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of a grievance procedure.
5. No meetings or hearings under this procedure shall be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

ARTICLE IV

However, credit on the salary schedule for leaves taken pursuant to Section D of this Article shall be limited to a maximum of four (4) years. Upon return from leaves granted pursuant to Sections B, C, or D of this Article, the salary increment received by the employee shall be determined by the value of leave to the position held by the employee.

The Board and the Association agree that there shall be no discrimination, and that all practices, procedures and policies of the school system shall clearly exemplify that there is no discrimination in the hiring, training, assignment, promotion, transfer, or discipline of employees or in the application or administration of this Agreement on the basis of race, creed, color, religion, national origin, sex, age, domicile, or marital status.
- E. Copies of this Agreement shall be reproduced at the expense of the Board and the Association within thirty (30) days after the Agreement is signed and presented to all employees now employed, hereafter employed or considered for employment by the Board.
- F. Whenever any notice is required to be given by either of the parties to this Agreement to the other, pursuant to the provisions(s) of this Agreement, either party shall do so by letter at the following addresses:

1. If by the Board to the Association:

President  
Hunterdon Central High School Education Association  
Hunterdon Central High School  
Flemington, New Jersey 08822

2. If by the Association to the Board:

Board of Education  
Hunterdon Central High School  
Flemington, New Jersey 08822

#### ARTICLE XXXIII

##### REDUCTION IN FORCE

- A. The parties recognize that the provisions contained in Article XXXIII, Reduction in Force, are presently unenforceable.
- B. The Association recognized the right of the Board of Education to reduce the number of employees in the district in accordance with Title 18A of the Laws of New Jersey.
- C. If a reduction in personnel is being considered, the Board shall notify and consult with the Association as soon as practicable, but not later than April 1 prior to when the lay-off is to take place. The Board shall state to the Association the reasons for determining that a reduction of staff is deemed necessary.
- D. Non-tenured teachers will be laid off first where any teacher who has acquired tenure and whose position has been curtailed is certified and qualified to perform the services of non-tenured teachers.
- E. In the event teachers must be laid off, layoff will be on the basis of seniority and certification, except as provided for in C. above.
- F. In the cases of teachers with the same seniority, the level of certification shall be standard. Those with less than standard certification shall be considered for layoff before anyone with standard certification.
- G. In the case of identical certification, the accumulation of credits toward standard certification shall be the criteria used with the highest number of credits achieved receiving a preference.

- H. In a case of all of the above factors being equal, teachers shall be considered on the basis of their evaluation and ratings with the least satisfactory to be released from service first.
- I. It is expressly understood that the Association shall have the right to review a layoff list prior to notification of the individual teachers to be laid off. In the event of a disagreement concerning the layoff list, the Association shall have the right to meet with the Superintendent prior to notification of the individual teachers and prior to the notification deadline of April 30.
- J. Non-tenured teachers being laid off shall maintain their accumulated sick leave during the one year within which they remain on the recall list. A year for the purpose of this Article shall be defined as October 1 to September 30 of the subsequent contract year.
- K. If a teacher who is laid off is recalled to the district and accepts reemployment, upon return to the district the employee shall assume the step position on the salary schedule which the employee would have held had the employee been actively employed in the district to a maximum of one (1) year's credit. No teacher may receive one (1) year's credit unless the employee works a minimum of ninety-one (91) days during the school year.
- L. No non-tenured teacher who is laid off and subsequently recalled can receive credit for the time in which the employee spent while laid off, and the employee may not acquire tenure until the employee has met the statutory requirements as set forth in Title 18A.
- M. Seniority for the purpose of this Article shall be defined as non-terminated years of employment in the district.
- N. A seniority list shall be prepared by the Board and presented to the Association which includes all full-time teachers who are within the bargaining unit.
- O. It is expressly agreed that teachers who are on leaves of absence will be considered as being within the bargaining unit for the purposes of this Article.
- P. Termination of employees due to lack of performance, reassignments and/or transfer which occur within the district are not to be construed as applying to this Article and are expressly excluded. No other rights or benefits shall be deemed to be granted to a laid off teacher other than those defined herein, and all others are expressly excluded.
- Q. Recall. Teachers shall be recalled in inverse order of layoff for position openings for which they are certified and qualified in accordance with the following:

1. If a position exists within the district for which the teacher is certified pursuant to this Agreement, the teacher shall be notified by certified mail. Within ten (10) days of receipt of a written offer to return to employment, the teacher shall accept the position by replying in writing or it shall be determined that the employee has declined the position. If a teacher accepts the position the employee is offered, the employee shall be granted sufficient time to fulfill the requirements of the contract the employee is required under or if the employee does not have contract requirements to fulfill, the employee shall have twenty (20) days from receipt of the offer to return to work.
2. All teachers placed on layoff and the Association shall be notified by certified mail on or before April 30 of their position on the recall list and be given an opportunity to remain on the recall list for the following school year.
3. No new staff shall be hired until all properly certified staff members who were on the recall list have been offered an opportunity in writing to return to employment with the district.
4. In the event that more than one (1) person occupies the same position on the recall list, the Superintendent shall, in the presence of the Association representative, draw the names in order of ranking to establish a register of recall for positions which may become available and for which they are qualified and certified.
5. The recall list shall be maintained by the personnel office for the following school year. It shall be the teacher's responsibility to maintain a current address with the personnel office. Said teacher waives any responsibility of the Board if when contacted by the district, the employee does not state in writing the employee's intent to return to the district upon being offered an opening of a position for which the employee is qualified. If a teacher cannot be contacted because of a failure to leave a current address, the Board of Education is relieved of its responsibilities to the teacher and any rights to be recalled are terminated.

#### ARTICLE XXXIV

#### UNION SECURITY CLAUSE

- A. Upon the request of the Association, the Board shall deduct a representative fee from the wages of each employee who is not a member of the Association.

- B. These deductions shall commence thirty (30) days after the beginning of employment in the unit or ten (10) days after cancelling their membership in the Association.
- C. The amount of said representation fee shall be certified to the Board of Education by the Association within five (5) working days after the effective date of this Article, which amount shall not exceed 85% of the regular membership dues, fees and assessments charged by the Association to its members.
- D. The Association agrees to indemnify and hold the Board of Education harmless against any liability, cause of action, or claims of loss whatsoever, arising as a result of said deductions.
- E. The Board of Education shall remit the amounts deducted to the Association monthly, on or before the 15th of the month following the month in which such deductions were made.
- F. The Association shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.4(2)(c) and (3) (L. 1979 c. 477) and membership in the Association shall be available to all employees in the unit on an equal basis at all times. In the event the Association fails to maintain such a system, or if membership is not so available, the Board of Education shall immediately cease making such deductions.
